## About Us

We are a community of people who desire to express Christ's love for one another. By love we mean acceptance and belonging in a community that fosters an environment of growth and maturation, to enable its people to make a positive difference in the world around us. To become such a community, we pray together and care for one another (caring), we learn together (discipleship), share our lives (fellowship), offer ourselves (worship), and advocate the gospel (evangelism). NCAC will be a church where the community comes to worship God and fulfills the commission of Jesus Christ.
