| <b>Two ways we would love for YOU to join us:</b> |   |
| Commit to a Small Group.                          | A small group is not just another thing to do each week, nor is it a social gathering. Rather, it is a community of people who are committed to Jesus and to being vulnerable with each other. It is a band of people desiring to grow in their faith, learning to love the Word and wanting to share their faith with others. If this sounds like something you are interested in, we have three small groups: downtown, midtown and uptown. |
| Join us for lunch.                                | Food was an important part of community building in the Bible. People gathered together and celebrated and feasted. Community is important to us. Therefore we love food! Each small group will meet over coffee and snacks, and maybe even go out for lunch after Sunday Service. Join us as we enjoy food and each other.   |
